

SPONSOR
OPPORTUNITIES

Thank you for your interest in the Eastbourne Neptunes! Our club is dedicated to bringing high-quality basketball to our local community and building a sustainable, national league level program. As the second most popular sport in the UK, basketball offers a unique opportunity for businesses to reach a diverse and engaged audience.

By partnering with the Eastbourne Neptunes, you will not only be supporting the growth of basketball in the UK, but also gaining exposure for your brand through our various sponsorship packages. These packages offer exclusive sponsorship of one of our five teams, recognition on our social media accounts, logo placement on team uniforms and promotional materials, and even the opportunity to set up a promotional booth at select games.

We are committed to working with our sponsors to create a mutually beneficial partnership that helps both our club and your business thrive. With your support, we can continue to build something truly special in our community and help take basketball in the UK to the next level.

Sincerely,

Ian Berry

Director of Eastbourne Neptunes Basketball
